Office of Mission Support

This is our report on the subject review conducted by the U.S. Environmental Protection Agency Office of Inspector General. The project number for this evaluation was [OA-FY22-0080](#). This report highlights findings from prior EPA OIG and U.S. Government Accountability Office reports to help inform grants management about the administration and oversight of awards pursuant to the Infrastructure Investment and Jobs Act. IIJA appropriations will significantly increase the EPA's implementation and oversight of grant programs.

You are not required to respond to this report because it contains no recommendations. If you submit a response, however, it will be posted on the OIG's website, along with our memorandum commenting on your response. Your response should be provided as an Adobe PDF file that complies with the accessibility requirements of Section 508 of the Rehabilitation Act of 1973, as amended. The final response should not contain data that you do not want to be released to the public; if your response contains such data, you should identify the data for redaction or removal along with corresponding justification.

We will post this report to our website at [www.epa.gov/oig](http://www.epa.gov/oig).
